TWO YEAR POSTGRADUATE PROGRAMS

PGDM (Human Resource Management)

In this globalised era the manager's ability to tap the latent talents of the workforce is definitely a much sought after skill-set. Our much acclaimed and respected HRM program trains future Human Resource managers to shape winning organisations. Focusing primarily on employee relations, human resource management systems and practices, legal framework, interpersonal and leadership skills the HRM course offers a holistic formation including functional areas such as finance, marketing, IT and operations management.

PGDM (Business Management)

Shaping future business leaders as responsible and highly skilled managers is the thrust of the BM program. The rigorous training prepares value-based managers with an integrated approach to decision-making. Drawing in on functional disciplines such as Economics, Finance, Information Systems, Marketing, Production & Operations Management and Strategic Management the program trains enterprising managers for a sustainable future.

PGDM (Global MBA)

This one-of-a-kind program, offered in partnership with the Weatherhead School of Management at Case Western Reserve University (USA) and Tongji University (China) constitutes a diverse class of Indian, American and Chinese students. Students will be taught by faculty drawn from each of the three partner schools and spend a semester each in Shanghai, Cleveland and Jamshedpur.

Eligibility : For HRM / BM / Global MBA : Recognized Bachelor's degree of minimum three years duration or equivalent in any discipline. Those completing their final examination by June 10, 2014 may also apply. Candidates with an experience of 3 years or more will be given preference for Global MBA.

PGDM (General Management)

The General Management Program aims at augmenting the skill-sets and competencies of practicing managers. Exposing them to recent trends, tools and techniques in Management would prepare them to enhance performance. This 15-month, full-time AICTE recognized course incorporates a 3-month field-based training in a functional area.

Eligibility: Graduates in any discipline from a recognized university in India / abroad with at least 5 years of managerial/supervisory experience by March 31, 2014. Candidates may apply either through XAT 2014 or GMAT score (taken between December 01, 2011 and December 20, 2013). GMP interviews will take place during 2-8 February, 2014.
